PETITION – CRAIGPARK RESIDENTS' ASSOCIATION

OBJECTION TO THE PROPOSED ESTABLISHMENT OF TWO ADDITIONAL BOTTLE STORES IN CRAIGHALL PARK

I hereby register my STRONG objection to the granting of a liquor licence and the establishment of a bottle store on both Erf 290 (Lancaster Village) AND on Erf 273 (Spar), situated on opposite corners of Lancaster and Clarence Avenues, Craighall Park.

It is noted that: (i) within a one kilometer radius there are **already SIX (6) bottle stores** and at least another **FIVE (5)** outlets which have a Grocer's licence; (ii) the proposed siting of the two new liquor outlets are in the heart of a residential area; (iii) within a one kilometer radius there area five (5) educational establishments and six (6) places of worship; (iv) a higher liquor outlet density is **not** in the public interest – it is detrimental to a community and is associated with increased levels of violence and other crime. **These are among the reasons that I wish my objection to be noted AND acted upon.**
